***“The Ultimate Relationship** tells my story from the inside out. It’s a kaleidoscope of my survival strategies for life, business and just about everything. The book is part narrative, part insight, woven into a guide to practical spirituality and intuitive intelligence. It’s based on a quest to take control of my mind, my body and my world, and become a bigger, grander version of myself. I explain how to step out of an old ‘problem-reaction-survival’ paradigm into a more elegant consciousness, that allows you to harness your true power. Then, you can create the life you want.”*
